**Notes:**

Once you have confirmed your registration into an ASAP LC with one of the ASAP Academic Advisors, your official timetable (which you can access through your PAWs account) will appear and show all room/locations and numbers. Following the opening of the first-year U of S registration on June 17 you can register for additional courses for Term 1 and Term 2, if you choose. If you are registering for any ASAP LCs, please make sure the other courses you want to register in do NOT conflict with any of the components of your ASAP LCs. Note: The ASAP07 Medicine Wheel 3 LC for the Chem 112 Class, Laboratory and Peer-led Team Learning Sessions ALL fit into this ASAP06 schedule, if you are interested, please ask the ASAP Academic Advisors for more information on the ASAP07 LC Medicine Wheel 3 LC with Chem 112.
