Notes:

Once you have confirmed your registration into ASAP year 2 with the Academic Advisor, your official timetable (which you can access through your PAWs account) will appear and show all room/locations and numbers. Following the opening of the second-year U of S registration on June 26 you can register for additional courses for Term 1, if you choose. Please make sure the other courses you want to register in do not conflict with any of the components of your ASAP schedule.
