Applications are being accepted for a **One-Year Fulltime Term Position as Clinic Director in Clinical Psychology** effective **July 1, 2015**.

Applicants with clinical and research interests in **any area of clinical psychology** are invited to apply. Experience in child psychology, third-wave psychotherapies, applied behavior analysis, diverse populations, experience with Internet-based psychotherapy, family and couples therapy, or experience engaging in humanitarian work would be assets. Working out of the **Psychology Services Centre (PSC)**, an in house mental health service and training clinic located on the university campus, the **Clinic Director** will assume the following responsibilities:

- Supervision of clinical psychology student practica through the PSC
- Clinical service delivery to the campus and broader Saskatoon community
- Developing a client base and managing referral streams
- Liaising with community agencies
- Managing graduate teaching fellowship responsibilities for students assigned to the PSC
- Managing training clinic support staff
- Oversight of the test library and PSC equipment
- Serve as a member of the clinical psychology executive committee (CEC)
- Updating the CEC on PSC issues and professional activities
- Potential for graduate and/or undergraduate classroom teaching
- Generating long-term planning for growth and sustainability of the PSC

We are committed to hiring outstanding scholar-practitioners who can make significant contributions to the clinical training, teaching, and research missions of the Clinical Psychology stream and the Department of Psychology as a whole, who are committed to interdisciplinarity, and who can forge productive links with other areas of professional practice on campus and in the community. The Clinic Director may also facilitate and collaborate on clinical psychology research in the PSC.

Requirements for the position include:

1. Completed Ph.D. with specialization in clinical psychology
2. Completion of a clinical psychology internship in an accredited or equivalent setting
3. Full Practice registration at the doctoral level with the Saskatchewan College of Psychologists (R.D. Psych) or eligibility to readily obtain doctoral level registration in SK
4. Authorized Practice Endorsement (APE) to provide mental health diagnoses, or eligibility to readily obtain APE
5. Evidence of effectiveness in clinical training, mentorship, and supervision
6. At least three years post graduate degree practice experience employed in a clinical setting

The Department’s Graduate Program in Clinical Psychology is a well-established scientist-practitioner program that is fully accredited by the Canadian Psychological Association. Interested applicants are encouraged to contact the Director of Clinical Psychology Training (Dr. Mark Olver: mark.olver@usask.ca) or Department Head (Dr. Lorin Elias: lorin.elias@usask.ca) for more information.
The University of Saskatchewan is located in Saskatoon, Saskatchewan, a city with a diverse and thriving economic base, a vibrant arts community and a full range of leisure opportunities. The University has a reputation for excellence in teaching, research and scholarly activities, and offers a full range of undergraduate, graduate, and professional programs to a student population of about 20,000. The university is one of Canada’s leading research-intensive universities.

The College of Arts & Science offers a dynamic combination of programs in the humanities and fine arts, the social sciences and the sciences. There are over 8,000 undergraduate and graduate students in the College and 325 faculty, including 14 Canada Research Chairs. The College emphasizes student and faculty research, interdisciplinary programs, community outreach and international opportunities.

**Salary Bands (July 1, 2015 – June 30, 2016):**

Assistant Professor $90,797 (floor) to $115,213 (overlap ceiling)

**Benefits:**

This position comes with a comprehensive benefits package which includes pension plan, life insurance (compulsory and voluntary), sick leave, travel insurance, death benefit, dental plan, extended health and vision care plan, employee assistance program and flexible health and wellness spending program.

Successful candidates will demonstrate excellence or promise of excellence in clinical training, mentorship, and supervision. Applications will be accepted until **June 1, 2015 or until the position is filled**. Please submit a curriculum vitae, copies of relevant publications and practicum/teaching evaluations, and a cover letter detailing how your clinical supervision, administration, and practice experience, past, present and future, would contribute to the clinical stream and the success of the PSC. Applicants should also arrange to have three letters of reference sent to:

Dr. Lorin Elias, Head,  
Department of Psychology  
College of Arts and Science  
University of Saskatchewan  
9 Campus Drive  
Saskatoon, Saskatchewan, Canada S7N 5A5  
Phone (306) 966-6668, Fax: (306) 966-6630
