

Mathematics and Statistics Tutor List

The following individuals are available to be hired as **PRIVATE TUTORS (ONE on ONE)** in Mathematics or Statistics. The Department of Mathematics and Statistics makes this list available as a service to its students, but does not take any responsibility for the tutoring process. **However**, if there are serious concerns please contact the Department. All arrangements, financial or otherwise, are strictly between the student and the tutor. Appearance of a tutor's name on this list should not be construed as an endorsement or guarantee of the tutor by the Department.
