

# Virtual Winter Gathering 2024

**S**ince 1997, Doug Chisholm has been actively researching the background on and recording aerial photos of the 4000 geographic features which our province named in memory of Saskatchewan servicemen who lost their lives during the Second World War.

**D**oug Chisholm has always had a strong interest in aviation and in Saskatchewan heritage. A bush pilot in northern Saskatchewan, Doug has flown and maintained his 1954 Cessna 180 for 40 years including 28 fire seasons as an aircraft mechanic chasing provincial water bombers around the country.

**S**et in Saskatchewan during the Great Depression, this is the story of hockey legend Gordie Howe and his first experience with skating. *Gordie's Skate* is an ode to the love of hockey and a tale about hard times, where a family makes do with what little they have.

**B**ill Waiser is one of Canada's foremost historians. For more than three decades, he was a history professor at the University of Saskatchewan. He is now a full-time writer and public speaker. Bill has published 21 books and is known for his engaging, popular style that draws on the power of stories
