### Notes:

Your official timetable, which you can access through your PAWS account, will appear by June 17 and will include room locations/numbers. Following the opening of first-year U of S registration on June 17 you can register in up to two more courses for Term 1 and up to five more courses in Term 2. Note, for Term1 when you are registering for other courses, please make sure they do NOT conflict with any components of your FLEX LC.

\* Math 125.3 only satisfies the math requirement for life science majors (ie., Biology, Biology & Biotechnology, Anatomy & Cell Biology, Biochemistry, Biochemistry & Biotechnology, Biotechnology, Microbiology & Immunology, Environment & Society, Environmental Biology, Physiology & Pharmacology, Toxicology and Pharmacy). If you plan to graduate with a different major, another math course will be required. For more information, please contact an Academic Advisor at [aslc@usask.ca](mailto:aslc@usask.ca) or 306-966-1945.
