Notes:

Once you have confirmed your registration into an ASAP LC with one of the ASAP Academic Advisors, your official timetable (which you can access through your PAWs account) will appear and show all room/locations and numbers. Following the opening of the first-year U of S registration on June 17 you can register for additional courses for Term 1 and Term 2, if you choose. If you would like to register in a Term 2 ASAP LC, please contact the ASAP Advisors (contact information below). If you are registering for any ASAP LCs, please make sure the other courses you want to register in do NOT conflict with any of the components of your ASAP Learning Community.
