Notes:

The Medicine Wheel 3 LC (consisting of the Chem 112 class, the Chem 112 Lab and the Peer Led Team Learning Session) is designed to be taken with the Medicine Wheel 1 and 2 LCs however, it does fit into and can be combined with any of the Term 2 ASAP LCs. NOTE: **Students who enroll in this LC must successfully pass Biology 120** (students who are enrolled in Biol 120 in Term 1 can still apply). Any Aboriginal student regardless of their year of study can apply to this LC. **All students who apply to this LC will be placed on a waiting list;** priority will be given to Term 1 ASAP students who are interested in Nursing. **Enrollment decisions for this LC will be made in December 2017.** For more information, please contact an ASAP Academic Advisor at tmc@artsandscience.usask.ca
