In the Event of an Emergency Call 306-966-5555 (or 911)

Description of this Location: Geology Building, 114 Science Place, Second Floor, Room 234

Evacuating from this Location:
Through the door turn right, and follow the hall to the exit and go down the stairs, then evacuate through the south west exit and gather in the Bowl.

Medical Emergency:
1. Try to ensure the scene is free from further hazard.
2. Call Campus Safety at 306-966-5555 to report; Campus Safety will help to assess the situation and provide immediate assistance. Call 911 as necessary.
3. Solicit assistance from others formally trained in providing emergency first aid.

Evacuation Emergency:
1. Upon discovery of the need to evacuate pull the fire alarm and evacuate (emergency responders are notified when the alarm sounds).
2. Upon hearing the fire alarm (>10 sec) remain calm and evacuate in an orderly fashion using the primary route.
3. Report to the nearest Marshalling Area.
4. If you pull the fire alarm or have information about the alarm report to emergency responders.

Severe Weather Lockdown:
1. Upon receipt of USafe notification cease work activities and seek safe shelter in designated interior rooms, or seek shelter in place if possible.
2. Call 306-966-5555 to report severe weather.
3. Watch for further USafe messages.

Violent Threat Lockdown:
1. Cease working, seek safe shelter and call 911.
2. Lock door(s), cover windows, turn off lights & hide.
3. Put phones on silent; watch for USafe messages.
4. Remain hidden until cleared by emergency response personnel.

Evacuating from this Location:
Through the door turn right, and follow the hall to the exit and go down the stairs, then evacuate through the south west exit and gather in the Bowl.
