## Notes

PSY 121 and CMPT 141 Cannot be taken together due to time conflicts.

~ Registration in CMPT 140 and/or CMPT 141 is strongly recommended for students applying to the College of Engineering in their second year of study.

Shown on this page are the additional courses for the Medicine Wheel LC; required courses are marked in bold. You may pick any 3-5 courses within our Medicine Wheel LC offerings; recommended courses can be found on the previous page.

Once you receive confirmation of registration for your ISAP Learning Community (LC) you can access your official timetable through your PAWS account. Following the opening of your U of S registration window in June, you can register for additional courses if you choose.
