The Biology Club Presents:

5\$/person

PRIZES for
winners

March 21

7:00 pm

Louis' Loft

Sign up in the bio lounge or at the doors

March 21st is Trivia Night! So bring your team of four useless fact and knowledge wielding geniuses to drink some beer and win some prizes. Cost is \$5 per person for a total of \$20 per team. A sign-up sheet will be available in the Biology lounge during our open hours from 10:00 a.m.- 4:00 p.m. on week days.

See more information about news and events on our Facebook page

BIOLOGY DEPARTMENT CLOTHING

Come visit us at the Biology student lounge (Room 248) to place orders for this year's clothing! **Grad jackets will now be available for order.** Choose your colour style, and size with available try-ons for reference

Pick from one of our three new designs!

We will have baseball T's and bunny hugs this semester!

UNIVERSITY OF SASKATCHEWAN
DEPARTMENT OF
BIOLOGY

Biology Grad

The annual awards and graduate banquet is coming up at the end of this month! Come celebrate finishing your degree or just triumphantly making it through another school year. Invite family and friends for a night of great food and better company! Tickets will be available in the Biology lounge later this month.

Where: Louis'

When: Saturday, March 31st

Price: \$40

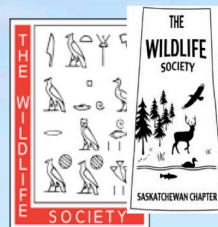

Bio photos

If you have photos that are biology related share them with us along with a little story about them, here's how:

Instagram – #usaskbioclub or
e-mail –
katherinefedoroff@gmail.com

Grad Photos

Grad photos will be taking place between April 3rd and 6th 2018. Please keep an eye out for an e-mail from the biology department with a link to sign up for your day and time.

LOUNGE HOURS

Job Postings

Science Ambassador Program

The Science Ambassador Program is hiring graduate, 3rd or 4th year undergraduate students in science, math, engineering, health sciences, agriculture, kinesiology, veterinary medicine, or education to work as a Science Ambassador in Spring 2018.

Science Ambassadors travel to Northern Indigenous communities for 4-6 week placements in May and June as science contacts in the community schools. Science Ambassadors develop and deliver culturally-responsive hands-on science activities in the classroom and act as a mentor to students as you show them how fun science and math can be.

Skills needed: Strong science background, excellent communication skills, enthusiasm for teaching and learning, able to work collaboratively with others, experience working with youth or working in cross-cultural contexts is an asset.

More Information: <http://artsandscience.usask.ca/scienceoutreach/ambassador/>

Contact Information: v.harms@usask.ca

Environmental Summer Student

Organization: Saskatoon Airport Authority

Location: Saskatoon, SK

Full-time (April 30 to August 31, 2018)

The Environmental Summer Student will report directly to the Manager, Facilities and provide assistance in gathering, reporting and analyzing environmental data related to airport operations within four areas of work; Environment Management, Storm Water/Glycol Management, Wildlife Management, and Sustainability Initiatives.

Contact Information: poakenfold@skyxe.ca

More Information: See Job Posting on Career Link

Forestry Technician

Organization: KMB Resources Group

Location: Prince Albert, SK

Full-time (May to August 2018)

We are currently seeking a seasonal Forestry Technician to assist us with various projects. This support will be required in both desktop and field related roles. Project work may include, but is not limited to the following: conducting forest health surveys, forestry renewal surveys, forest tent caterpillar monitoring and measurements, forest health aerial mapping, and aerial photo interpretation.

Contact Information: jgooliaff@kbm.ca
