Next time get someone with common sense and a personality. A doorknob would be more interesting than Alward. [ouch!]

He also walks like a vampire. This could be good or bad I suppose. [it could be good or bad]

2025/26

PHIL 140.01 (Fall)

If Peter Alward is a great Professor, then I am wearing my brown shoes. Luckily, my shoes are brown, the answer I assume, is clear. [no comment]

PHIL 241.01 (Fall)

You remind me of Han Solo in the newer Star Wars movies when he's older and still running about on missions trying to guide the new gen [when he's older? Ouch!]

PHIL 140.02 (winter)

PHIL 320/871 (winter)

2024/25

PHIL 140.01 (fall)

I like it when he comes to class early and stares menacingly at everyone for 5 minutes – like this: >:-((it really sets the tone for the next 50 minutes)

PHIL 271.01 (fall)

Normally philosophy kind of hurts my brain trying to wrap around concepts, but I had less brain hurt in this class ... [better than Advil?]

PHIL 140.02 (winter)

I learnt lots but I'm not too sure what I learnt. [so, in addition to our known unknowns and unknown unknowns – thanks, Donald Rumsfeld – we also have our unknown knowns?]

PHIL 492/871 (winter)

i learnt so much. so much from failure. from ignorance. i have grown from this lecture series. become a different person. [thank you?]
