3 × CHEM 8xx (min. 9 cu of courses, as indicated on your Program of Study)													

## GPS 960

This course should be completed in your first term of study.

## CHEM 990

Register in the Fall and Winter terms each year until you have completed your Departmental Seminar.

## CHEM 991

CHEM 991 needs to be taken a total of three times. Ask your supervisor in which terms you should register for CHEM 991; the schedule shown here (year 1 and 2) is common.

## CHEM 996

Maintain continuous registration in CHEM 994 (MSc) or 996 (PhD). Register for CHEM 996 after you've formally transferred programs.

## CHEM 801

Complete this course in your first year of study (unless exempt).

## CHEM 8xx (9 cu)

9 cu of additional coursework (can be CHEM or non-CHEM) as approved in your program of study. **3 cu of these must be completed before you can take your qualifying exam.**
