CHEM 802 or 801													
2 × CHEM 8xx (6 cu of courses, as indicated on your Program of Study)													

## GPS 960

This course should be completed in your first term of study.

## CHEM 990

Register in the Fall and Winter terms each year until you have completed your Departmental Seminar.

## CHEM 991

CHEM 991 needs to be taken a total of three times. Ask your supervisor in which terms you should register for CHEM 991; the schedule shown here (year 1 and 2) is common.

## CHEM 996

You need to maintain continuous registration in CHEM 996.

## CHEM 802.3

Must be completed in your first 12 months of study; 70% is required to pass. Students with a MSc degree from USask are exempt.

## CHEM 8xx (6 cu)

6 cu of coursework (can be CHEM or non-CHEM) as-approved in your program of study. All coursework should be completed prior to taking the PhD Candidacy Assessment in year 2.
