

Economics Department TA and Tutoring Pool Form

Complete this form you would like to be considered for work related to the Economics program.

Please be advised that by submitting the form, you grant the Department permission to review your transcript in order to obtain information regarding your program status and, if applicable, your qualifications for specific positions. While we will not disclose detailed information to prospective employers, we will assist them in evaluating candidates' suitability for job opportunities.

We will keep you in the pool of students interested in work until you graduate or tell us to remove you from our list. There is no need to submit new forms repeatedly. Should you wish to update any information, an email to the Department will suffice.,

Please note that participation is not limited to ECON majors; however, it is advisable to express your interest only if you have completed several ECON courses.

First Name

Last Name

NSID

Student ID

USask Email

I would like my name and email address listed on the Department web page as a tutor so that other students can contact me about hiring.

You may list (types of) courses you can help with (e.g. "1st and 2nd year courses", "ECON 111 and 211", "Math and Stats"). Please be concise:

Post a suggested hourly rate (optional)

*\$20.00/hour is a typical rate for this position

Here is how this may look on our web page:

Name	Program	Email	Specialization	Hourly Rate
Jane Doe	3rd-year ECON Honours	jane.doe@usask.ca	1st and 2nd year ECON courses, Calculus, Statistics	Negotiable

Please note that the Department only provides this information about tutors as a service to our students; we are not involved in or responsible for the agreements between tutors and students or the work that is being done.

I would like to be considered for economics-related on-campus jobs.

These jobs will often be teaching-related (grading, tutoring, etc.), but other work may be available occasionally, too. This primarily includes work directly offered by the Department. However, the Department is sometimes approached by other units and asked to recommend suitable ECON students for a job. Most importantly, this includes grading jobs for the Economics Department at St. Thomas More.

I am interested in jobs offered directly by the Department of Economics.

I would like to be considered for the jobs outside the Department of Economics.

Please submit this form to the Economics Department office at economics.dept@usask.ca from your USask email address or submit in person in ARTS 819
