| Math 110 (or Math 101 or Math 104)         | 3         |                  |                    |                |
| Computer Science (100 level)               | 3         |                  |                    |                |
| <b>Total cu requirement</b> (See Note 5)   | <b>66</b> |                  |                    |                |

**Notes.**

- This sheet describes only the 4-Year BA in Business Economics components of the program. You must also comply with the Arts and Science requirements for a degree in Social Sciences (eg 120 cu, Distribution requirements, CPA).
- Stat 245 is a requirement for Econ 304.
- At least 6 cu must be at the 300 or 400 level. An honours degree requires that this 6 cu be at the 400 level. Note: Math equivalents to Econ 305 & Econ 306 cannot be used as electives. Math 110 is a prerequisite for most 300 and 400 level Economics courses.
- Honours students and students contemplating applications to graduate schools are strongly advised to take Econ 404.6 (Econometrics), ECON 411.3 (Monetary Theory), Econ 473.3 (Advanced Microeconomics) and additional courses in mathematics.
- You are encouraged to choose additional Economics electives (you may take no more than 60 cu in Economics).
