Econ or Comm (See Note 4)				
Calculus and Computer Science				
Math 110 (or Math 101 or Math 104)				
Computer Science (100 level)				
Total cu requirement (See Note 5)				

Notes.

Name

Student Number

- 1. This sheet describes only the 4-Year BA in Business Economics components of the program. You must also comply with the Arts and Science requirements for a degree in Social Sciences (eg 120 cu, Distribution requirements, CPA).
- 2. If you choose courses other than Econ 204.6, be sure to comply with the Statistics Regulations in the University Calendar. See http://artsandscience.usask.ca/students/academics/handouts/Statistics.pdf.
- 3. At least 6 cu must be at the 300 or 400 level. An honours degree requires that this 6 cu be at the 400 level. Note: Math equivalents to Econ 305 & Econ 306 cannot be used as electives.
- **4.** Honours students and students contemplating applications to graduate schools are strongly advised to take Econ 404.6 (Econometrics), ECON 411.3 (Monetary Theory), Econ 473.3 (Advanced Microeconomics), & additional courses in mathematics.
- 5. You are encouraged to choose additional Economics electives (you may take no more than 60 cu in Economics).
