Brief statement of your interest in the Search Committee:

With close to three decades of experience in teaching, research and academic service, I bring a wealth of experience and knowledge that would benefit the selection committee for the Vice-Dean Academic (VDA) in the College of Arts and Science.

The VDA is responsible for providing visionary leadership in the College, and this, of necessity, requires strong collaboration with all levels of academic leadership, including Department Heads. As an incoming Department Head (in Political Studies) with a strong commitment to advancing the interests of her Department, College and University, I would welcome the opportunity to help shape the direction of this important portfolio. I also believe that my participation—as a woman and a member of a minority group—can contribute to a more inclusive and representative selection process.

Thank you so much
Kalowatie
