Notes: Once you have confirmed your registration into an ISAP LC with one of the Indigenous Student Advisors, your class schedule (which you can access through your PAWs account) will appear and show all room/locations and numbers. Following first year registration on June 15th, you can register for additional courses in Term 1 and Term 2. If you would like to register in a Term 2 ISAP LC, please contact the Indigenous Student Advisors (for contact information visit our website below). If you are registering for any ISAP LCs, make sure the other courses you want to register in do not conflict with any of the components of your ISAP LCs.

*These tutorials occur on alternating weeks. Please review your class schedule in PAWS to know which subject's tutorials run on which weeks.
