The 2020 President’s Lecture Series

For the first time, SSCL will present one of its courses online this Fall. This new venture begins with a course study on UNESCO’s 2015 Agenda for Sustainable Development that sets forth a bold new framework for development cooperation.

This agenda aspires to ensure prosperity and well-being for all, while protecting our planet and strengthening foundations for peace. The Sustainable Development Goals represent the most universal, ambitious and comprehensive agenda ever seen.

University President Peter Stoicheff has chosen Sustainability as an overall theme for his tenure and as the focus of his President’s Lecture Series this year. President Stoicheff will deliver the keynote address followed in subsequent weeks by other eminent faculty.

To commemorate our first online delivery SSCL is offering this series free of charge to paid members. Annual SSCL membership is $5 and is open to anyone 55 years of age and over.

• Saskatoon Seniors Continued Learning Inc. (SSCL), in cooperation with the President’s Office and the College of Arts and Science, University of Saskatchewan, is offering a special online course to people 55 years of age or more who are paid members of SSCL.
• The 2020 Seventh President’s Lecture Series will be delivered online through ZOOM technology.
• SSCL website: sscl.usask.ca

➢ The President’s Lecture Series will commence on September 9, 2020.
➢ There is no charge for this course, but registration is required.
➢ All registration is ONLINE.
➢ Registration for the 2020 President’s Lecture Series will open on August 14, 2020.

ONLINE COURSE PROCESS AND INSTRUCTIONS

The following outlines the requirements for those wishing to attend the PLS or any other Online course.

Requirements to Attend

- You must have an email address exclusively for your use in Amilia so you can be sent your Zoom log-in information.

- Only one connection to the course will be permitted per email address. You must not share your log-in information with others.

- Members wishing to attend the course and who have previously elected to share the same email address on Amilia should update their Amilia profile with an email address that is exclusively for their use. Doing this will allow them to receive the log-in information to the course.

- You must have access to a desktop or laptop computer, or other communication device such as a tablet or iPad, or a smart phone that is compatible with Zoom. If you have not used Zoom you should review Zoom compatibility requirements and test your computer or other device before the meeting. Reference https://support.zoom.us/hc/en-us.

- You must register for the course as outlined in the “The Registration Process” below.
