We all live here, but do we
know *how* we got here?

Join City of Saskatoon Archivist
Jeff O'Brien for a look at
Saskatoon over nearly a century,
from 1883-1973, highlighting the
initial establishment of the first
settler community here, and the
development of the city and its
people as it navigated a
changing world, through boom,
bust, depression, and war. A tour
of the City Archives will follow.

Register Online

Between November 6 (12 pm)
