Curiosity never retires

Join Us for a Tour of the *Museum of Antiquities*

Thursday, November 13, 2025 | 1:30PM - 2:45PM

**Room 106, Peter MacKinnon Building
107 Administration Place, University of Saskatchewan**

The tour will be led by **Dr. Tracene Harvey, the Director/Curator of the Museum**. Her passion is for ancient Greek and Roman coins. In addition to her work with the Museum, she teaches various courses on Campus, focusing on Greek and Roman art and architecture. In 2019 she published her first book, *Julia Augusta: Images of Rome's First Empress on Coins of the Roman Empire*.

The Museum features ancient and medieval art in full-scale replica, along with original artifacts like pottery, coins, and glass. Highlights include replicas of the Venus de Milo, Rosetta Stone, and Black Obelisk of Shalmaneser III, plus an original Egyptian false door.
