Off-campus Research Activities

For any group participating in off-campus research activities, a formal plan must be formulated to comply with liability requirements.

Training

Students and workers must be trained and deemed competent (or licensed, if applicable) in their off-campus activities that they are expected to carry out.

Requirements

Training includes, but is not limited to:

- ▶ [Driver's license - Driver Authority Form](#)
- ▶ [Pleasure Craft Operator Card](#)
- ▶ Powered mobile equipment training
- ▶ Working from heights - fall protection training
- ▶ Working with machinery / instrumentation
- ▶ Working in extreme temperatures / environments
- ▶ Working with / around animals

Contact the [Safety Management System team](#) for assistance in creating or updating an [off-campus safety plan](#).

Contact our [Insurance Services representative](#) to ensure that you are appropriately insured for your off-campus activities.
