

SEMINAR NOTICE

*Department of Physics and Engineering Physics
University of Saskatchewan*

SPEAKER: Dr. Roberta Campbell-Chudoba,
Education Development Specialist, Gwenna Moss Centre for Teaching and Learning.

TOPIC: *6 ways to Build Inclusivity in the Physics Classroom*

DATE: Tuesday October 28th, 2025

TIME: 3:30-4:30 p.m.

PLACE: *Physics 103*

Abstract:

Today's students bring diverse experiences and expectations to the classroom. We'll explore **six practical strategies** to help you:

- Improve student engagement
- Reduce grading disputes and confusion
- Maintain rigour while increasing fairness and clarity
