

# SEMINAR NOTICE

*Department of Physics and Engineering Physics  
University of Saskatchewan*

---

---

**SPEAKER:** Dr. Lenaic Couedel, Graduate Chair  
Department of Physics & Engineering Physics

**TOPIC:** *Graduate Studies in Physics & Engineering Physics*

**DATE:** Tuesday September 6th

**TIME:** 3:30-4:30 p.m.

**PLACE:** *Physics 103*

**Abstract:**

In this presentation, I will introduce the graduate programs offered in the department of Physics and Engineering Physics. The aim of this presentation is to explain graduate students how the programs are structure and what is expected for an enjoyable and successful graduate studies in our department.
