

SEMINAR NOTICE

*Department of Physics and Engineering Physics
University of Saskatchewan*

SPEAKER: Li Zhang, Science Librarian
University of Saskatchewan

TOPIC: *Open access and predatory journals, and research data management (RDM)*

DATE: Tuesday October 18th

TIME: 3:30-4:30 p.m.

PLACE: *Physics 103*

Abstract:

In this session, we will introduce the approaches to comply with Tri-Agency open access policy for your research publications, discuss the strategies to identify and avoid predatory journals, and provide an overview of the best practices to manage your research data effectively.
