

Fees for Assessment Services Agreement

Psychological assessment services provided at USPC are charged at an hourly rate based on a sliding fee scale (see below) and discussion between you and your clinician. Prior to the assessment appointment, you will be given a cost estimate based on the typical time required for the type of assessment you are seeking.

Fees are payable immediately after the feedback session and before the report is released to you. Payment plans are available upon request.

We will provide a receipt to submit to your insurance carrier for reimbursement upon request. We accept payment by Visa, Mastercard, Amex, cash or cheque. Please make cheque payable to "University of Saskatchewan".

Please notify us **at least 24 hours in advance** if you need to cancel or reschedule an appointment. Your clinician will review the No-Show and Cancellation Policy with you.
